Farmhouse for Sale in Pienza - Val d'Orcia Nature Reserve Are you looking for a property for sale in Italy? Then you can't miss this farmhouse for sale in Pienza, located within a nature reserve in the Val d'Orcia. Built in stone and brick, this farmhouse has been carefully restored to preserve the original features of the ancient farmhouse, such as wooden beamed ceilings and terracotta floors. Divided into 6 apartments, each with large and spacious bedrooms, bathrooms and equipped kitchens, this farmhouse is ideal for spending a peaceful and relaxing holiday. And if you feel like cooking, the annex has been transformed into a restaurant with a professional kitchen. Surrounded by a large garden with plants and flowers that give color and scents to the property, this farmhouse offers a panoramic view of the Val d'Orcia, with a unique landscape characterized by ravines and the famous road with cypresses that leads to the farmhouse. Located in the territory of Pienza, the nature reserve in which the property is located has been declared a World Heritage Site by UNESCO for its value as an example of a natural landscape. And if you want to explore the surroundings, the property is located near villages of great cultural and scenic interest such as Bagno Vignoni, Pienza, Sant'Antimo, Monte Oliveto and Montalcino. Don't miss the opportunity to own a piece of paradise in Tuscany with this property for sale in Siena.
