Farmhouse for Sale in Siena. Property located in a hilly and panoramic position between Siena and Buonconvento in the famous rolling hills of the Crete Senesi, an old farmhouse with land. The main farmhouse has kept unchanged, in its renovation, the flavor of the old Tuscan farmhouses respecting the original canons and materials of the area with original details, terracotta floors, wooden beams, brick vaulted ceilings. Internally the farmhouse comprises on the ground floor a spacious living area with several openings to the outside, living room with fireplace, kitchen, three bedrooms and three bathrooms. On the first floor a second apartment with kitchen, living room, three bedrooms and a bathroom. The barn, in front of the farmhouse, has a pleasant and comfortable living area with kitchenette, three bathrooms and two bedrooms and closet/warehouse. The courtyard around the farmhouse is very beautiful and characteristic with a covered loggia with a panoramic view of the Tuscan hills, an ideal place to spend summer afternoons and evenings. The land surrounding the property is 6 hectares cultivated as organic arable land, The property is surrounded by spectacular unspoilt countryside, while being just a few minutes from the nearby village with every convenience. Privacy, beautiful location, peaceful countryside atmosphere. The total covered area of the buildings is approximately 480 m2. The house is perfectly habitable, with some elements to update.
